BAR FRIDGES Australia
Cooling the Beers of a Nation

Bringing the worlds best chillers to Australia

MODEL:

SK168D

QUICK INFO

Classy upright quiet running 2 zone wine fridge designed especially with a shallow depth for areas where space is a premium. Unit is front venting and design to be free-standing OR built into a cavity, it comes with special brackets to attach to the wall for stability. Top zone 5-15°C and bottom zone 7-18C.

It has the highest quality inverter driven EMBRACO brand compressor that is excellent for low energy usage when cooling and the 'dimmable' 5 x LED light colour choices of white, red, orange, blue or green make a great feature.

** Remember brackets come with unit to secure to wall - being so shallow they will topple with an open door **
