QUICK INFO

SCRATCH & DENT This unit is brand new however it's a factory second. There is some paint imperfections on the top and right side of the fridge, also some light marks and scratches on the left and right sides of ther fridge. The stainless door is perfect so if this were to be installed under a benchtop, none of these things would be seen. Please see all photos and descriptions. This will be a massive 35% off RRP so grab a bargain.

Quiet running low energy under bench front venting glass door bar fridge. Unit has triple glazed LOW E glass to help reduce condensation, the door is reversible with lock and brand parts include a quality Schmick electronic controller and German EBM fans for reliable operation.

Switchable 'color' LED light can be either blue or white, units have 3 x full 'soft' strips on sides and inner top for great lighting effect.

This unit is also available in black frame and grill (Model SK146-B), and heated glass versions in Right And Left Hinged (models SK146R-HD & SK146L-HD).
