Introducing the Sphere Ice Maker - ZB001 – Where Function Meets Elegance in Every Sip

Step up your beverage game with the Sphere Ice Maker - ZB001, the ultimate must-have for any discerning drink enthusiast, home entertainer, or cocktail aficionado. Whether you're crafting a top-shelf old fashioned or simply enjoying a refreshing iced tea, the ZB001 transforms ordinary moments into extraordinary experiences.

What sets it apart? This isn't just another ice tray. The ZB001 is engineered to create perfectly round, crystal-clear ice spheres, designed not only to impress but to perform.
