

Bringing the worlds best chillers to Australia

MODEL:
SK156-COMBO-BM

QUICK INFO

Quiet running low energy under bench front venting glass door beer and wine combination fridge. Unit has triple glazed LOW E glass to help reduce condensation, the doors are reversible with lock and brand parts include our own developed Schmick electronic ECO controller and quiet running Schmick rear and inner fans for reliable operation.

The shelving is the most multi purpose on Australian market, flat beer and special wine shelving are interchangeable, the shelves are ball bearing slide out style and these can also be adjusted Up/Down. Basically every single drink arrangement can be achieved. Brilliant!

Switchable 'color' LED light can be either blue or white, units have 3 x full 'soft' strips on sides and inner top for great lighting effect.
