

Bringing the worlds best chillers to Australia

MODEL:

SD-BA354-GSP2H-SS

QUICK INFO

SCRATCH & DENT This unit was damaged in transit. The handles were dented, these have been replaced with new ones however the pressure of the original damage has left an indent in the door where the handle attaches (please see photos, hard to see from front on) and there is a scratch on the right side near the bottom. it looks like it has only gone through the protective film in one spot. Fridge is otherwise **BRAND NEW** and in perfect working order. This is nearly \$1000.00 off RRP so grab it while you can.

The Rhino GSP alfresco outdoor refrigerators took 3 years to develop with first units arriving back in 2008. Rhino have continued to make improvements to the design, and refine components throughout the years, keeping these units ahead of the market.

Brand name parts, lowest energy consumption, fast pull down times in 40°C+ temperatures, LOW E glass, lockable, front venting, these units are the most well performed alfresco fridge on the market.

Available in 1,2 and 3 door versions.
