

MODEL:

SK168W

QUICK INFO

Classy upright quiet running wine fridge designed especially with a shallow depth for areas where space is a premium. Unit is front venting and design to be free-standing OR built into a cavity, it comes with special brackets to attach to the wall for stability. Electronic adjustable temperature from 1 > 18oC.

It has the highest quality inverter driven EMBRACO brand compressor that is excellent for low energy usage when cooling and the 'dimnable' 5 x LED light colour choices of white, red, orange, blue or green make a great feature. Reversible door with lock and triple glazed LOW E glass helps prevent condensation.

**** Remember brackets come with unit to secure to wall - being so shallow it has small chance to topple if empty and opening door ****

SCHMICK *Australia*
