

Bringing the worlds best chillers to Australia

MODEL:
GSP2H-840-SS

QUICK INFO

The Rhino GSP alfresco outdoor refrigerators took 3 years to develop with first units arriving back in 2008. Rhino have continued to make improvements to the design, and refine components throughout the years, keeping these units ahead of the market.

Brand name parts, lowest energy consumption, fast pull down times in 40°C+ temperatures, LOW E glass, lockable, front venting, these units are the most well performed alfresco fridge on the market.

Available in 1,2 and 3 door versions.
