

## Bringing the worlds best chillers to Australia

### MODEL:

**SD-BA334-ENV2H-SS**

### QUICK INFO

Warranty - this unit had a refrigerant leak which has been repaired. The customer only had it for 2 days prior to noticing it wasn't cooling. It was immediately swapped over. This one has been fully repaired and is in excellent working condition. These are normally over \$3800.00 so grab a bargain.

The Rhino Envoy alfresco fridge range are the most energy efficient on our market, units have 316 marine grade stainless steel, Japanese ECO (Secop) variable speed inverter compressor, quiet inner fans, energy saving German rear fans and German Danfoss ECO controller and heated glass, just to mention a few features. Units will perform in the hottest and most harsh climates, perfect for over 43°C+.
