## QUICK INFO

If you are looking for a stylish addition to your entertaining area look no further, this wine fridge is as new.

Listed as a scratch and dent due to carton damage and a very minor mark on the front right edge behind the glass door (please see pictures).

Classy upright quiet running wine fridge designed especially with a shallow depth for areas where space is a premium. Unit is front venting and design to be free-standing OR built into a cavity, it comes with special brackets to attach to the wall for stability. Electronic adjustable temperature from 1 > 18°C.

It has the highest quality inverter driven EMBRACO brand compressor that is excellent for low energy usage when cooling and the 'dimable' 5 x LED light colour choices of white, red, orange, blue or green make a great feature. Reversible door with lock and triple glazed LOW E glass helps prevent condensation.

\*\* Remember brackets come with unit to secure to wall - being so shallow it has small chance to topple if empty and opening door \*\*
