

## Bringing the worlds best chillers to Australia

**MODEL:**  
**SD-MK256-SK156L-SD**

### QUICK INFO

This unit was returned due to faulty compressor. A new compressor has been fitted, and its now working perfectly. Whilst the fridge itself has done next to no work, it does have a few small blemishes on the body from its return trip to HQ. Please see all photos!

Quiet running low energy under bench front venting solid stainless door bar fridge. The door is reversible with lock and brand parts including our own designed quality Schmick ECO electronic controller and German EBM fans for reliable operation.

Switchable 'colour' LED light can be either blue or white, units have 3 x full 'soft' strips on the sides and inner top for great lighting effect.

This unit is also available in the black door frame and grill (Model SK156-B), heated glass versions if in stock (models SK156R-HD & SK156L-HD), and triple glazed version, model Sk156 SS
