

Bringing the worlds best chillers to Australia

MODEL:

SD-BA339-JC132B-SD

QUICK INFO

BRAND NEW FRIDGE. This unit is was delivered to a customer in error. Upon its return here to us it has sustained some light damage. There are some light marks on the top of the fridge and some very small, light marks on the door. These are so faint I could not photograph them as the camera wouldn't pick them up. Grab a Xmas bargain.

Classy front venting under bench quiet running bar fridge with low energy consumption. Unit has solid stainless steel door with lock, Schmick ECO energy saving controller, quiet running special Schmick brand fans and very versatile shelving options. The shelving is heavy duty chromed and fully adjustable, wine shelving can be added.

Unit gets airflow from front grill so it can be built under benches for a sleek look.
