

MODEL:

SK168-Combo3

QUICK INFO

Classy upright quiet running 3 zone beer and wine fridge combination designed especially with a shallow depth for areas where space is a premium. Unit is front venting and design to be free-standing OR built into a cavity, it comes with special brackets to attach to the wall for stability. Top zone 5-15°C and bottom zone 7-18°C, and beer zone 1-18°C.

It has the highest quality inverter driven EMBRACO brand compressor that is excellent for low energy usage when cooling and the 'dimnable' 5 x LED light colour choices of white, red, orange, blue or green make a great feature.

**** Remember brackets come with unit to secure to wall - being so shallow it has small chance to topple if empty and opening door ****
