QUICK INFO

SCRATCH & DENT This unit was damaged in transit. It has a large dent on top with a scratch, 2 x small dents on left hand side, some light marks on right hand side near bottom and some very light marks here and there on the door. While this sounds like a lot, if it was going under a cabinet none of this will be seen. It runs and cools perfectly.

Reliable Triple Glazed Glass Quiet running Door Bar Fridge with lock, adjustable shelving, polished stainless interior and reversible door.

Unit has switch for a choice of blue or white LED lighting, is low in energy consumption and quiet to run. The full adjustable shelving allows 4 x high of 375ml cans and shelving has 47 x adjustable positions to allow any size drinks to be filled at optimal capacity.
